EDUCATION

Computer Engineering

UADE | 2023 - Present

High School Degree

Instituto Nuestra Señora Del
Sagrado Corazón | 2014 - 2020

SKILL

English (Full professional proficiency)

Spanish (Primary fluency)

CSS, Git, HTML, Java, Javascript, Linux,
MySQL, Python, SQL

CERTIFICATIONS

- 📖 English UK - British Council B2
- 📖 Foundations of Cybersecurity (Google)
- 📖 Play It Safe: Manage Security Risks (Google)
- 📖 Connect and Protect: Networks and Network Security (Google)
- 📖 Linux and SQL (Google)
- 📖 Assets, Threats, and Vulnerabilities(Google)
- 📖 Automate Cybersecurity Tasks with Python(Google)

SUMMARY

Passionate and detail-oriented Backend Developer with hands-on experience in Python, Java, SQL, and Linux. Currently pursuing a degree in Computer Engineering at UADE, I have developed several projects, including web automation tools and data analysis programs, showcasing my ability to solve complex problems and deliver efficient solutions. Committed to continuous learning, I am actively expanding my skills in backend development, database management, and cybersecurity through online courses and certifications. I thrive in collaborative environments and am eager to contribute to innovative projects that push the boundaries of technology.

EXPERIENCE

Portfolio Website Development <https://bit.ly/JBEcv>

- Developed a responsive portfolio website to showcase my skills and projects.
- Technologies: HTML, CSS, JavaScript, Google Firebase.

Python Data Analysis Tool

- Built a Python program to analyze and extract insights from large datasets.
- Technologies: Python, Pandas, NumPy.

Web Automation Script

- Created a Python-based automation tool to streamline event ticket purchases.
- Technologies: Python, Selenium.

KEY ACHIEVEMENTS

- Successfully automated repetitive tasks, saving 50% of manual effort in ticket acquisition.
- Improved data processing efficiency by 30% through the development of a Python-based text analysis tool.
- Completed multiple Google certifications in cybersecurity, Linux, and SQL, demonstrating a commitment to professional growth.
